

Bronze House

Designed by Olson Kundig

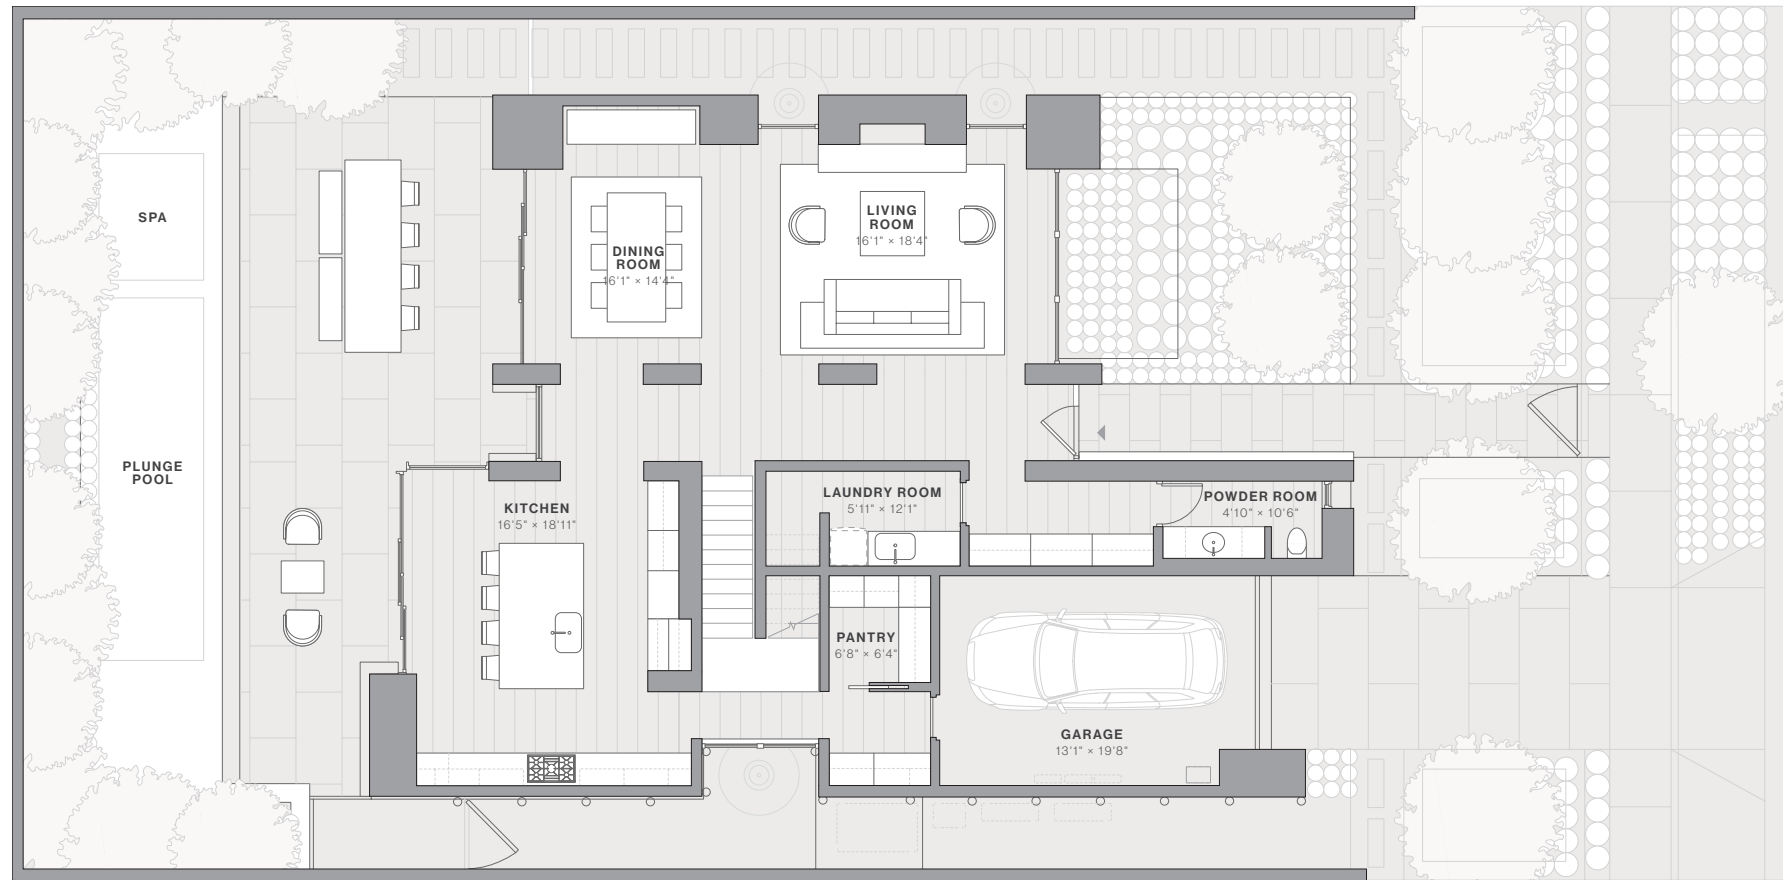

4 Bedrooms
4.5 Bathrooms

House: 3,448 SF

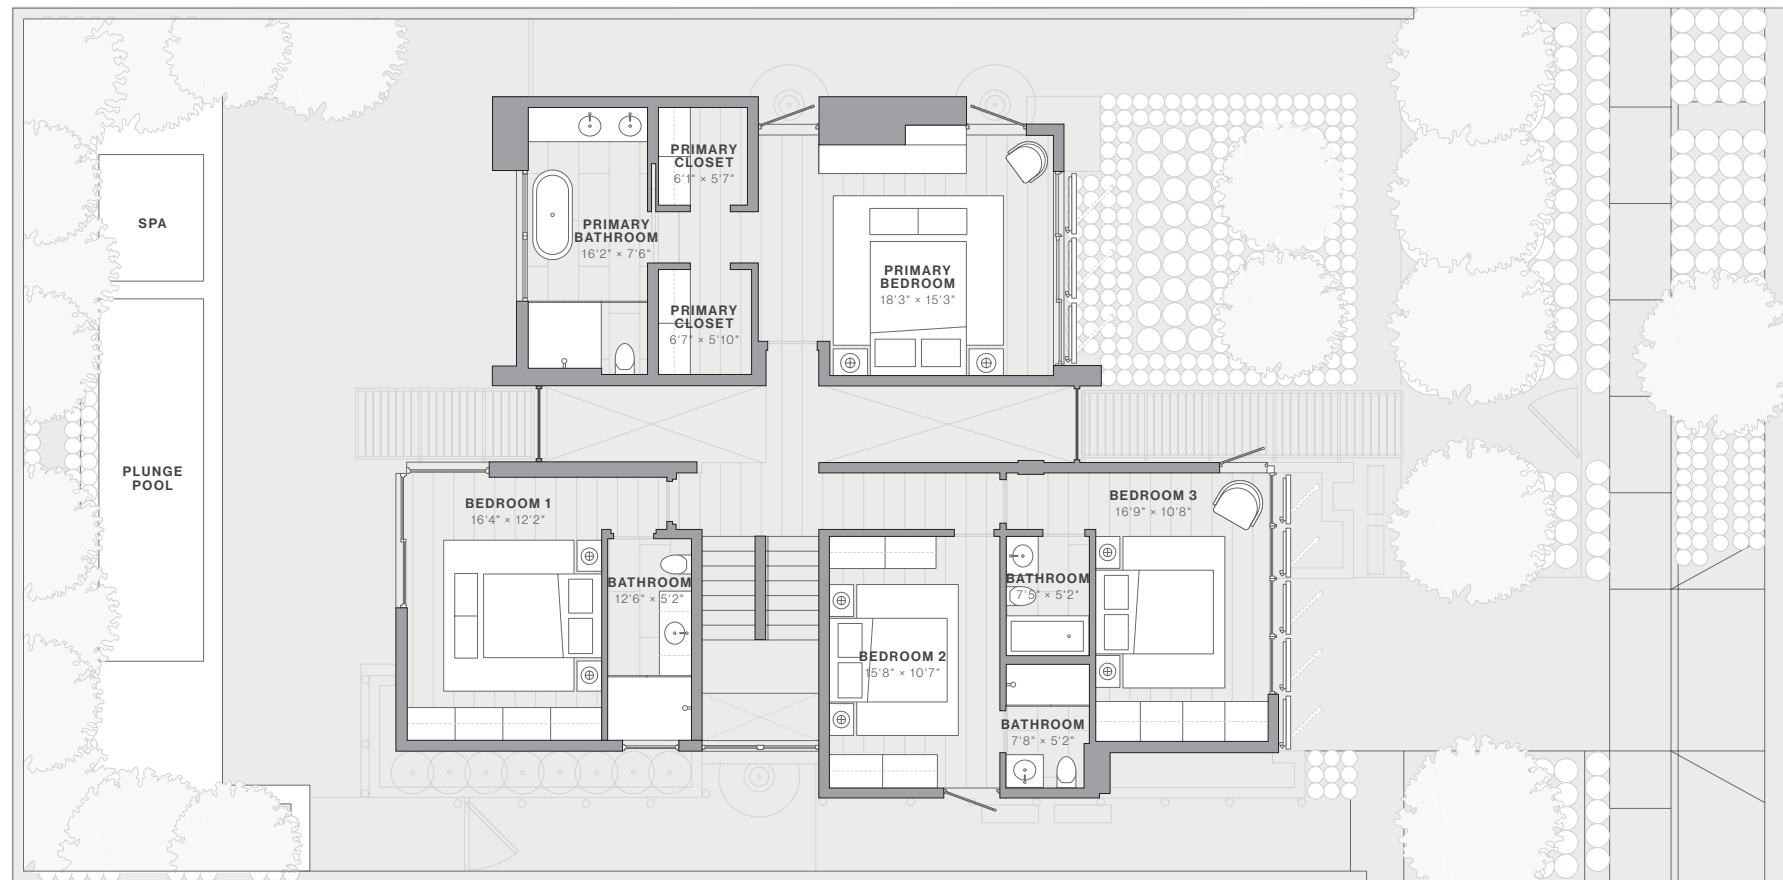

Lot: 5,415 SF

Art Walls: 560 SF

A pervasive sense of warmth is the key characteristic of Bronze House, embodied by layers of limestone, rich wood screens, and deeply recessed windows. Inside, the ease continues with an axial orientation, supporting an intuitive progression from the formal entry, through the living spaces, and out to the shaded rear garden, where a trellis overflowing with vibrant plantings provides a measure of privacy for the refreshing plunge pool and spa.
