

# Steel House

Designed by Olson Kundig

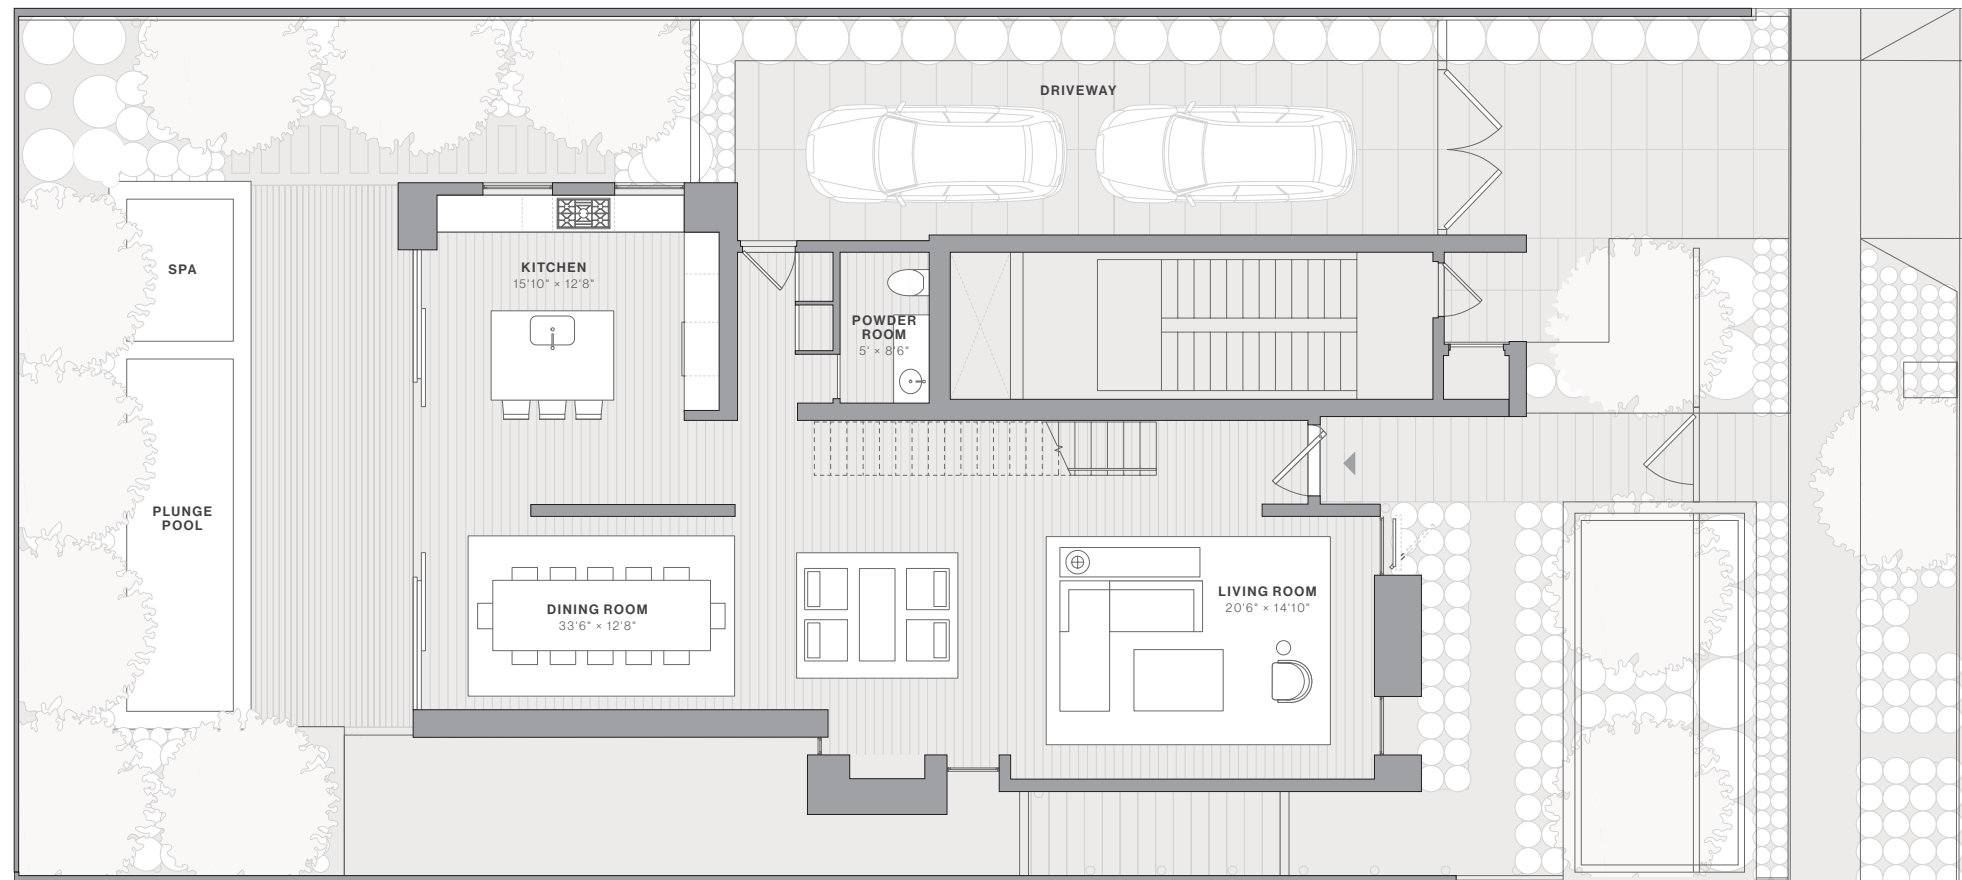

3 Bedrooms  
3.5 Bathrooms

House: 2,973 SF

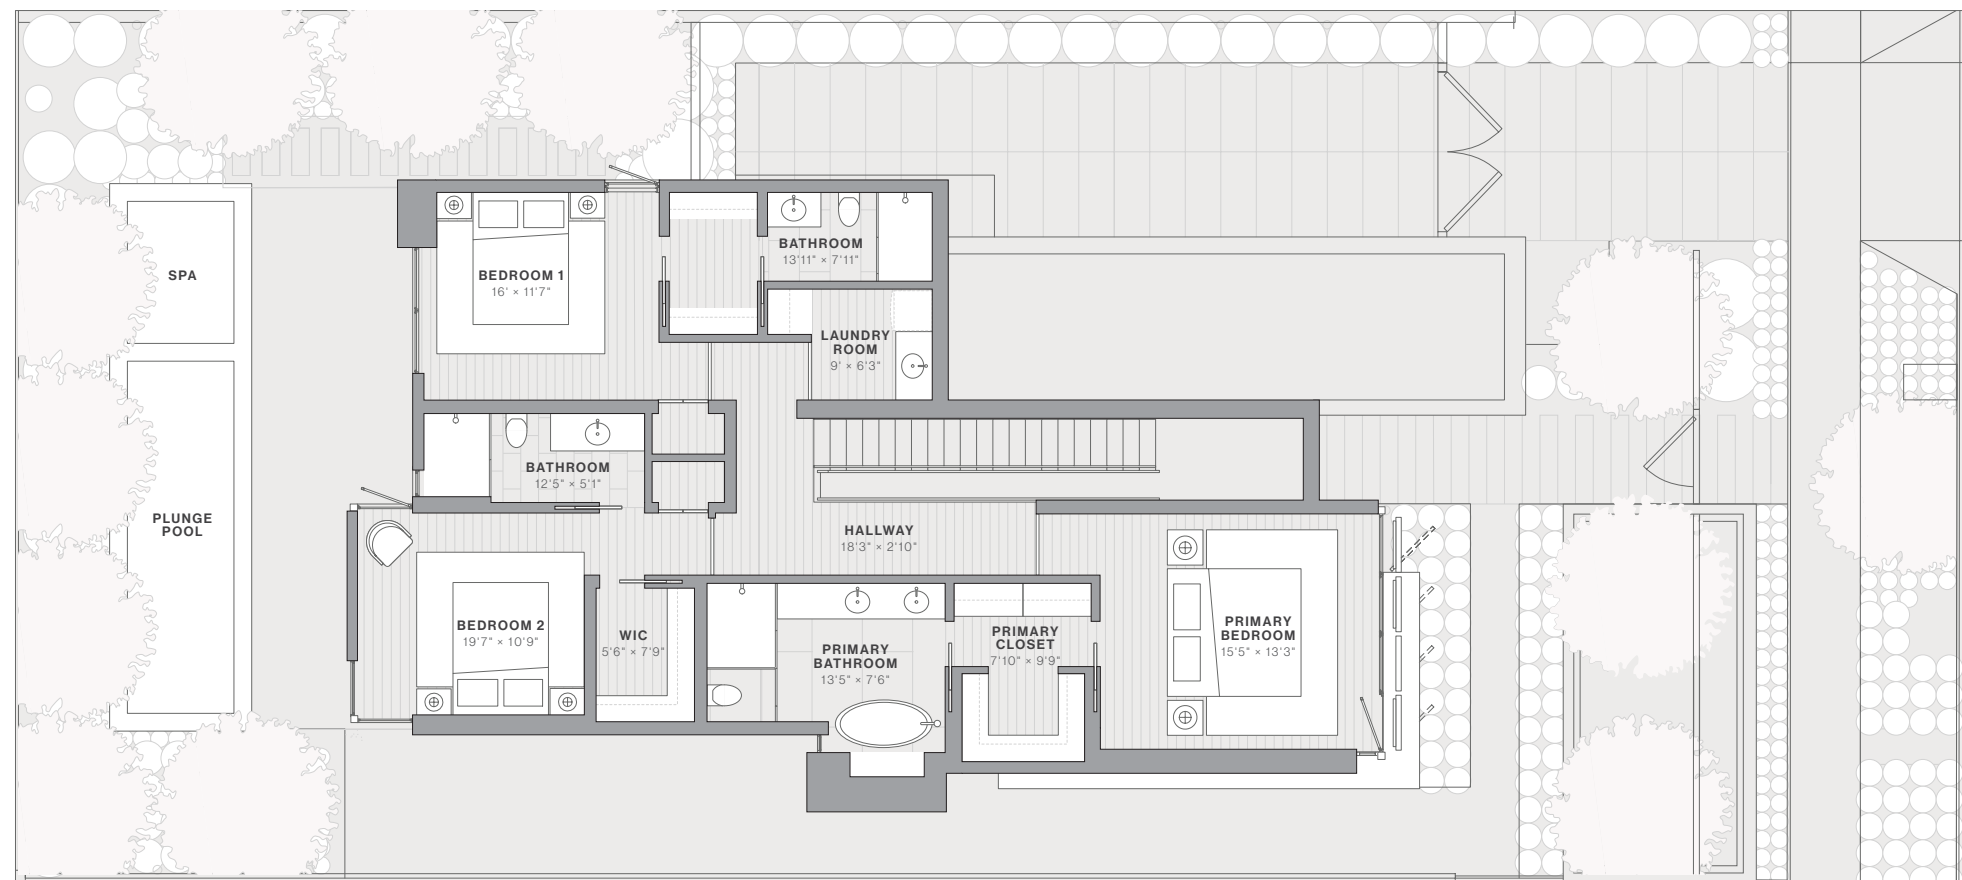

Lot: 4,896 SF

Art Walls: 1,181 SF

Steel House embodies an air of seclusion and protection with extensive glazing concealed behind wooden screens and thick stucco walls framing inset windows. Once inside, spacious elegance abounds with a grand, open living space that invites an easy flow between indoor and outdoor spaces. The cantilevered upper level hovers gently over the back garden, providing shade and a private urban refuge feel.
